The University of Texas at Tyler
UNIVERSITY
ACADEMY[™] LONGVIEW

Dear Texas Association of Student Councils,

UT Tyler University Academy at Longview student council would like to formally apply for the TASC State Officer position of President, with Baylee Mauer as our representative. With our strong and unique 1st - 12th grade school, we could help TASC improve students' lives in all different grade levels around Texas. We are confident that our representative and our UTTUA council qualify and would do their best to serve TASC.

With our platform B.A.M., Body And Mind, our school and representative want to advocate for mental health. By attending to students' minds while they are young, we are helping them have a better future. We will use data from our students to add/change different things about our schools to help students have a safe place and people they feel like they can talk to. We intend to reach out to the J.E.D. foundation, which allows students all across America and partners with different groups and schools.

In the past, our council has served on the district executive board and attended multiple conferences, including the advanced leadership workshops, summer workshops, middle level conferences, and high school state conferences. We have been a sweepstakes award winning council for many years. Our lead advisor, Mrs. Burke Hicks, has served as a middle level elected advisor on the board. In the future, we hope our representative for TASC president is elected, and we can implement the B.A.M. program in multiple schools across Texas to better impact our youth's future. Our outstanding advisors and excellent student council make us fully prepared to serve TASC and students across Texas.

Sincerely,

Baylee Mauer *Jane Burke Hicks*
