Dear TASC Board of Directors and Ms. Wangler,

This letter is to officially declare that Dickinson High School intends to run for the state office of secretary.

In the past five years, Dickinson High School has been a committed member of the TASC organization. We have learned and grown as a council by attending our district and state conventions, conferences, and workshops, and have gotten the opportunity to take a leadership role within our 713 district. We feel that our combination of experience, skills, and dedication will not only allow us to successfully hold office and commit to strengthening the powerhouse that is TASC, but to continue to grow and learn in our role as leaders within the TASC realm.

We feel especially honored to be able to present our platform "You Have the Power." At DHS, we have worked hard to bulk up our Energy and Environment projects, and have come up with some really great ways that schools can make an impact in conservation and recycling. With a retro Captain Planet theme, we hope to make all state conference attendees feel like planetees when they leave to go back home and can take what they've learned and apply it at their own schools.

If we are elected, we will fulfill the role with diligence and appreciation.

Thank you,

Reece Richardon
