To the Members of the Texas Association of Student Councils,

We, at Hallsville High School, are writing this letter to officially declare our intent to run for the position of President of the TASC. It is with great enthusiasm and dedication that we submit our advisor Galvino Medina, and our student representative Erica Swanner for this esteemed role, and they are eager to contribute their skills and passion to the betterment of our student community in Texas.

Allow me to introduce myself briefly. My name is Galvino Fernando Medina, and I am currently the advisor for Hallsville High School. Throughout my time as an advisor, I have been actively involved in various Community, District 4, and Texas Projects and activities, including being a District 4 officer for 5 years. These experiences have equipped me with valuable insights into the needs and aspirations of our local student body and for Texas.

My student representative, Erica Swanner, is currently our Student Council President, and will go on to serve as an officer again next year. She is a Junior with a heart and mind of enhancing the community.

Our Campaign for the Texas Association of Student Councils:

Our campaign this year, "Happy Hearts," will focus on bringing vision and awareness to Heart disease. We hope to partner with organizations such as The American Heart Association to share information on risk factors and healthy lifestyle choices to empower people in safeguarding their heart health. In the spring we plan to "grow happy hearts" by implementing a gratitude tree in our school. Several studies show that a grateful mindset positively affects biomarkers associated with the risk for heart disease. As for the fall we will organize a community walk which will incorporate heart-healthy exercise to promote cardiovascular well-being. If elected as President, we envision a TASC that serves as a dynamic platform for student involvement, collaboration, and positive change. Hallsville Student Council's primary goals are to bring awareness and engagement. By

doing this we will strive to prevent heart disease, as well as reducing the chances of disease within our youth early.

Thank you for considering Hallsville High School's candidacy, and we are eager to embark on this journey of leadership with the support of our incredible student body.

Sincerely,

Erica Swanner  
Student Representative
