*Please note that the school runs for the office. One student representative and one advisor are named by the school per office to sit on the Board. The named advisor of record must organize the campaign, represent the school at the HS Annual Conference, and remain active throughout the term of office. At the written request of the school, those representatives may be changed at any time. The TASC Board of Directors may remove a student or an advisor for a violation of TASC policy. A school may be removed from office by the TASC Board of Directors for failure to fulfill duties of office.

Dear Texas Association of Student Councils,

I am pleased to give my enthusiastic permission for the Sandra Day O'Connor High School Student Council to run for the TASC State Parliamentarian School position for the 2023-2024 school year. As principal of this school, I have always been impressed with the dedication, leadership, and commitment that the O'Connor High School Student Council displays on a daily basis.

The role of the TASC Parliamentarian School is an important one, and it requires someone who is dedicated, knowledgeable, and committed to making a positive difference. I have no doubt that their advisor, Mrs. Brenda Hoffer-Collum, and their student representative, Hector Frausto have the skills and experience necessary to excel in this position.

The Sandra Day O'Connor High School Student Council has consistently been a role model for all Student Councils through TASC District 15 and for the State of Texas. Since the opening of O'Connor in 1998, we've been honored with the TASC Sweepstakes Recognition. They are well-qualified to serve in their desired office and have shown consistent dedication to the mission and purpose of TASC by serving as the TASC District 15 Treasurer/Secretary School and Fall General Conference Co-Host for more than 15 years, as well as hosted the TASC District 15 Winter Leadership Workshop, and Mrs. Brenda Hoffer-Collum has also served as the TASC Summer Camp Secretary prior to 2016.

The O'Connor High School Student Council has always been an active presence on campus, and they have organized a variety of impactful projects over the years. From hosting school-wide fundraisers to planning fun and inclusive events for the student body, they have made a positive difference in the lives of our students. Additionally, they have worked to improve campus culture, leading initiatives to promote kindness, respect, and inclusivity. These projects have helped to foster a sense of community and belonging among our students, and I have no doubt that they will continue to do great things on campus and for all TASC Affiliated Schools.

To continue putting others first, their campaign "Texas Minds Matter: A Journey to Mental Wellness" is a mental wellness service project focused on providing support to students, teachers, and staff in promoting positive mental health practices and addressing mental health concerns. The project includes providing mental health resources and support services, such as counseling and therapy, to students and staff in a safe and confidential environment. As well as training for teachers and staff on how to recognize signs of mental health issues and how to provide support. Additionally, the project aims to educate students and staff on the importance of mental wellness and to reduce the stigma around mental health. By addressing mental health needs in schools, the project aims to create a supportive and inclusive environment that promotes the overall well-being of all members of the school community.

On behalf of the Sandra Day O'Connor High School Student Council, we share the same excitement to continue working with TASC, and we are grateful for the opportunity to serve as TASC Parliamentarian School for the 2023-2024 school year.

Cordially,

Robert Martinez
