To TASC Board of Directors and Director Patty Wangler,

Texas High Student Council declares its candidacy for Vice-President School of TASC. We vow to work diligently to unite the schools in the great TASC network and beyond during this time of revitalization in our world. We are running on the platform of Texas Roundup! The platform encourages all TASC schools to engage actively in the middle level initiative. The projects include plan sheets with details for immediate use that fit into each area of TASC project forms. Our project details projects and a workshop led by high school students for middle school students and "rounding up" the entire school to understand the importance of an active TASC council. Most activities are easily adaptable to all size schools and councils. Texas High School has worked hard to promote middle school participation including hosting the 2022 Mid-level conference in San Marcos.

Bryce DePriest, the student representative and Susan Waldrep, the advisor representative, both know the time commitment and duties involved with the office of Vice-President. We pledge to do our best, if elected, to serve TASC with enthusiasm and diligence.

Texas High School has previously served as a TASC State Officer and hosted the annual state conference in both 2018 (Deepen Your Heart) and 2012 (Light the Way), so we are prepared for the work needed to guide TASC through the challenges that face our Texas schools. We look forward to continuing to develop the skills and possibilities we learned of meeting virtually with the excitement of meeting face to face.

Texas High School and its representatives are prepared for their duties as TASC State Vice-President School and if elected will be ecstatic to fulfill our duties to the best of our ability.

Sincerely,

Bryce DePriest, Student Representative

Susan Waldrep, Advisor Representative

Ben Renner, Texas High Principal

Platform: What is your issue, and <u>what are you proposing that TASC as an association or TASC member schools do to address this?</u> (Please see TASC guidelines if there is a cost to this platform.)	Texas Roundup! This platform aligns with the Middle School Initiative to help middle schools become active in TASC events. It can be done by any size school with little cost. The goal is for high school students to teach the "why" of Student Council and promote participation for the students, advisers and administrators in grades 5-8. The desired result is for Middle Schools to adopt the transforming power of Student Council.
