At the written request of the school, those representatives may be changed at any time. The TASC Board of Directors may remove a student or an advisor for a violation of TASC policy. Dear Texas Association of Student Councils,

With Baylee Mauer as our representative, the UT Tyler University Academy at Longview student council would like to apply for the TASC State Officer position of Parliamentarian. We could assist TASC in improving kids' lives in all grade levels throughout Texas with our direct access to grade levels kindergarten-12th. We are confident that our representative and UTTUA council are qualified and would work hard to assist TASC.

Our platform L.O.V. E. (Love Our Veterans Everyday), aims to serve those who want to serve, are serving, and have served. The idea of L.O.V.E is committed to helping future soldiers, homeless and/or wounded veterans, and even assisting our service dogs to get the care and support they deserve. We believe in expressing gratitude every day through unique monthly projects to raise money, send motivation, and celebrate these remarkable past, present, and future soldiers. L.O.V.E. is meant to be implemented within our schools and hopes to reach out into our community to create a caring and supportive environment. By promoting a culture of generosity and togetherness, we can positively impact the lives of those who've served, are serving, and will serve our country.

Our council has previously served on the district executive board and attended several conferences, including advanced leadership and summer workshops as attendees and junior counselors, middle-level conferences, and high school state conferences. For many years, our council has won sweepstakes awards. Mrs. Burke Hicks, our lead adviser, has served on the board as a middle-level elected advisor and was not the state middle-level advisor of the year but was the National Middle-Level Advisor of the year. In the future, we hope that our delegate for TASC Parliamentarian is chosen so we can implement L.O.V.E. This project is unique because it is a Pride and Patriotism project that students of all ages, schools of all sizes, and communities can participate in to make a huge impact in Texas. Our outstanding advisors and excellent student council make us fully prepared to serve TASC and students across Texas.
