Dear Texas Association of Student Councils,

We are writing to express our sincere interest in the TASC President School position. We believe we are a strong candidate for this position because we are a motivated and dedicated council that aspires to improve the overall quality of student councils in our great state of Texas. We are confident that we possess the qualifications the board needs to promote the philosophy and goals of TASC.

Harlingen High School Student Council has worked diligently to increase our participation at the district and state level. We have worked closely with the District 16 leadership team, to cultivate a supportive and caring environment. Serving in leadership roles in District 16 has strengthened our communication, interpersonal, organizational and leadership skills, which allows us to reinforce TASC's vision, mission, values and goals. This year our passion is having a "Heart-to-Heart" conversation about equipping others with the key measures for improving and maintaining cardiovascular health. We hope through our fundraising and educational efforts we can protect ourselves and the people we love from cardiovascular disease and it's deadly consequences.

Serving on the TASC board will allow us to continue our journey to strengthen our amazing organization that empowers student leaders. We seek to promote council support, growth and development, to include teamwork and cooperation. We will coordinate our efforts with advisors, board members and students to ensure councils remain strong, kind and receive the appropriate attention that meets their needs. We are fully prepared to continue the established culture of service and excellence.

Sincerely,
