re: Intent to run for office

Dear Board of Directors,

Northwest High School Student Council on behalf of Northwest High School are formally submitting our intent to run for the TASC office of Secretary. We believe that we have the personnel to effectively perform the duties of this office and help lead the organization next year. We last held this office in 2010 and during that year we devised the method of checks and balances to make sure that the vote counts were never incorrect again (back in the paper ballot days). We look forward to using that same dedication to help improve our organization in any way possible.

Our theme for our campaign is "Dream Different". Our platform is to encourage every member school to help others to achieve dreams no matter how different those dreams may be from their own. In doing so we hope that each member school will increase their community service totals by 50% over this year. We believe that by helping others reach their dreams, we in return will truly improve the world we live in one different dream at a time.

We will also spotlight some of the TASC endorsed programs as well as well known community service organizations in our campaign.
