Overview of Conference

Pre-Conference Event

An evening activity to allow delegations to meet each other in a relaxed atmosphere to network. The focus will be on team-building and teaching communication skills.

Students will meet their MO Ambassadors who will guide them to Caucus Rooms for introductions and schedules. A "VISION STATEment Ceremony" will open the conference introducing all the delegations. The goal for this day is to lead the students through challenging "chambers" of leadership training. Students will be divided into small groups to participate in skill building, team-building and leadership training.

Day 2 - Serve from the Heart

The focus of the day will inspire leaders to share the value of their council programs through small/large group workshops called "heartbeats". A service project with will be included.

Day 3 - And the Beat Goes On

An opportunity to "Swag Swap" and trade items from home councils allows delegates to share their hearts, shirts, and state pins with each other. Students will be motivated to return to their homes ready to keep their passion alive. The goal for the day is sending participants home with a challenge to use their newly learned skills.

Region 6 (Arkansas, Arizona, Colorado, Kansas, Missouri, Oklahoma and New Mexico) will offer and host a national conference to train student leaders and advisors for the first time in June, 2017. The Region 6 VISION (Value, Inspire, Share, Insight, Opportunity, Network) Conference is open to any student, advisor and principal in the United States, Puerto Rico and around the world. The purpose of the conference is to meet and network with other leaders from across the U.S. and the world, obtain new ideas from informative speakers and workshops and ascertain innovative ideas about service learning.

Participants will come away with renewed enthusiasm for student council involvement at their schools, new projects and ideas to implement and stronger leadership skills and friendships.

Missouri has been tapped as the first state to chair the RVI conference. Liberty North High School will be the host and has chosen the theme "Lead from the Heart".
LNHS will showcase the "heartland" of America's values and all the Midwest has to offer. School leaders must have their finger on the "pulse" of their schools. The speakers and workshops at this conference will get to the "heart of the matter" offering valuable insight into compassion, team-building, and goal setting. The end result is to inspire leaders to return to their schools to keep the heart of leadership "beating!"
