Please include the project objective, target group, resources used and a step-by-step description. If possible, please attach samples or pictures of your project.

Objective: To recycle old CD's and create Christmas door decorations for faculty and staff

Target Group: Faculty and Staff

Resources: old CD's, ribbon, glitter, Christmas florals, glue, glue gun, and wire cutter

Description of Project: This wreath is very simple to do. Take one CD and decorate to make a wreath you can hang on a door. A good time to buy floral supplies is at after Christmas sales. This wreath is a combination of leaves and petals from several different silk florals. Use a wire cutter to take the leaf apart and hot glue them in a pretty arrangement on the top of the CD. Glue some leaves on top of the bow. Then attach a piece of ribbon to the back to hang. It also looks pretty if you just glue leaves to the top of the CD and attach a bow.
