

Web-Based Project File Submission Form

Share your successful project ideas with other TASC member schools. Complete the form below and email the submission to TASC (tiffany@tassp.org). Projects will be categorized and cross referenced and posted on the TASC website. While the description should be relatively brief, please include enough details so that other schools can organize a similar activity using your information. Schools submitting a project idea electronically can receive 10 points on the Outstanding Student Council report form. Please note: only 10 points in total will be awarded (not 10 points per submission).

TITLE OF PROJECT or ACTIVITY: Energy Week

DETAILED DESCRIPTION OF THE PROJECT or ACTIVITY:

Please include the project objective, target group, resources used and a step-by-step description. If possible, please attach samples or pictures of your project.

This project was targeted grades 10-12. We wanted to inform the students about energy conservation while holding activities to preserve resources and promote proper disposal of trash.

Resources: trash bags and students

Description: We held dress up days Monday, Wed, and Friday Where we wore blue, gray, and yellow. Blue for hydropower energy, gray for wind power energy, and yellow for solar power energy. Tuesday was Bottle it up day, where students brought in bottles to recycle. Thursday we had another trash cleanup day. Each day announcements were made explaining the different energies.
