

Web-Based Project File Submission Form

Share your successful project ideas with other TASC member schools. Complete the form below and email the submission to TASC (tiffany@tassp.org). Projects will be categorized and cross referenced and posted on the TASC website. While the description should be relatively brief, please include enough details so that other schools can organize a similar activity using your information. Schools submitting a project idea electronically can receive 10 points on the Outstanding Student Council report form. Please note: only 10 points in total will be awarded (not 10 points per submission).

TITLE OF PROJECT or ACTIVITY:Halloween at Bos

DETAILED DESCRIPTION OF THE PROJECT or ACTIVITY:

Please include the project objective, target group, resources used and a step-by-step description. If possible, please attach samples or pictures of your project.

Students in all organizations and clubs volunteered to come up to the school dressed in an assortment of school appropriate costumes and hand out candy to children as they come by to trick or treat. Each club and organization stationed themselves in an individual classroom; some clubs created a fun haunted house for the children to go through. Each group was very respectful of the teachers classrooms and cleaned up after themselves once the event was over. This created a safe and family friendly enviroment were local families with young children could come and enjoy their halloween. There was a great participation rate among high school students and everyone had a lot of fun.
