

Web-Based Project File Submission Form

Share your successful project ideas with other TASC member schools. Complete the form below and email the submission to TASC (tiffany@tassp.org). Projects will be categorized and cross referenced and posted on the TASC website. While the description should be relatively brief, please include enough details so that other schools can organize a similar activity using your information. Schools submitting a project idea electronically can receive 10 points on the Outstanding Student Council report form. Please note: only 10 points in total will be awarded (not 10 points per submission).

TITLE OF PROJECT or ACTIVITY: Homecoming

DETAILED DESCRIPTION OF THE PROJECT or ACTIVITY:

Please include the project objective, target group, resources used and a step-by-step description. If possible, please attach samples or pictures of your project.

In our homecoming events we spent 8 days on cleaning up the lattice's and getting everything set up to be put into the gym. We had many dedicated student council members and officers helping us with all of our stuff. All through the week of homecoming we had different days that had a different theme to go with it like: Monday was our crazy hair day, Tuesday was twin day, Wednesday was PJ day, Thursday we had oppisite day, Friday was our pride day where we represented our school by schowing our pride against Karnack. When it was time for everyone who was walking to get ready the student council members went to go get the lattice's and bring the archway in, Once homecoming was over all the students who helped with the set also helped with the clean up and put up. Our Chireno Homecoming was a Success.
