**TITLE OF PROJECT or ACTIVITY:** Memorial Tree Planting

**DETAILED DESCRIPTION OF THE PROJECT or ACTIVITY:**

Please include the project objective, target group, resources used and a step-by-step description. If possible, please attach samples or pictures of your project.

Ten years ago Juarez-Lincoln High School planted an Oak tree in the schools' courtyard in memory of our custodian Henry, who passed away. His dedication and loyalty to his job will forever be admired in the growth of a tree (landscaping) which he loved. I am proud to announce that La Joya ISD celebrated its fifth annual tree planting ceremony. La Joya ISD now has over 100 Oak trees planted in its Memorial Park located next to the athletic complex. This is an excellent project to promote community service because student council members along with city officials, administrators, parents and children come to help dig and plant the tree. The ceremony begins and ends with a memorial ceremony and refreshments.(social / recreational) It promotes school pride because every school in La Joya ISD is invited to recognize a fallen angel from their school or department. Plant a tree and well you save the environment. {pictures will be posted next week}
