

Web-Based Project File Submission Form

Share your successful project ideas with other TASC member schools. Complete the form below and email the submission to TASC (tiffany@tassp.org). Projects will be categorized and cross referenced and posted on the TASC website. While the description should be relatively brief, please include enough details so that other schools can organize a similar activity using your information. Schools submitting a project idea electronically can receive 10 points on the Outstanding Student Council report form. Please note: only 10 points in total will be awarded (not 10 points per submission).

TITLE OF PROJECT or ACTIVITY: Reading Rainbow's Reading Rugs

DETAILED DESCRIPTION OF THE PROJECT or ACTIVITY:

Please include the project objective, target group, resources used and a step-by-step description. If possible, please attach samples or pictures of your project.

Objective: The objective of "Reading Rainbow's Reading Rugs" was to give the first graders their own personal rug to sit on during reading time.

Target Group: Holland First Graders

Resources: Local carpet stores and Wal Mart

Description: For "Reading Rainbow's Reading Rugs" we asked local carpet stores if they would donate small rectangular carpet samples to our project. The stores agreed to donate them since they would be throwing them away because they were discontinued. We asked the first grade teachers to give us a list of all the students' names in first grade. We then bought paint, sponge brushes, and stencils from Wal Mart and set to work on decorating the rugs. On each rug we put a student's name and decorated it with various objects. The kids loved having their own rug to sit on during reading time. The teachers loved it because the students stayed where they belonged. This was a very successful project.
