TITLE OF PROJECT or ACTIVITY: Recycled Spirit Shakers

DETAILED DESCRIPTION OF THE PROJECT or ACTIVITY:

Please include the project objective, target group, resources used and a step-by-step description. If possible, please attach samples or pictures of your project.

Plastic water bottles were collected and cleaned, wrappers taken off of the outside. We then filled them with confetti and beads or rice so that they would make noise and be colorful. Several were also decorated on the outside with school colors using paper, foil, paint pens, etc. The tops were glued to the bottle so they would not come off. They were tossed out at pep rallies and games to help increase school spirit and help show what can be done with recycled items.
