

# Web-Based Project File Submission Form

Share your successful project ideas with other TASC member schools. Complete the form below and email the submission to TASC ([tiffany@tassp.org](mailto:tiffany@tassp.org)). Projects will be categorized and cross referenced and posted on the TASC website. While the description should be relatively brief, please include enough details so that other schools can organize a similar activity using your information. Schools submitting a project idea electronically can receive 10 points on the Outstanding Student Council report form. Please note: only 10 points in total will be awarded (not 10 points per submission).

**TITLE OF PROJECT or ACTIVITY:** Veteran's Picture Wall

## **DETAILED DESCRIPTION OF THE PROJECT or ACTIVITY:**

Please include the project objective, target group, resources used and a step-by-step description. If possible, please attach samples or pictures of your project.

This project was done in honor of Veteran's for Veteran's Day. A few weeks before Veteran's Day, students and staff were asked to donate pictures of their family members who are currently serving or have served in the United States Armed Forces. Many photos were donated. Staff members had photos of themselves when they had served years earlier; teachers had children who were currently serving. Students brought in photos of their grandparents or great-grandparents. The photos were mounted on red, white, and blue construction paper. Information about the person was written below the photo (name, name of student they are related to, date of photo, branch of service, wars in which they were involved). The photos were mounted so they resembled an American flag with the blue-backed photos being in the upper lefthand corner, and the red-backed and white-backed photos creating the stripes. This display was put in the front entry way of our school. More than 75 photos were collected; the oldest one dated back to the Civil War. The photo flag started out small, but it grew as each new group of photos came in. Students and staff enjoyed looking all the large variety of photos and different uniforms. It became a history lesson. It was amazing how many students had relatives that were veterans. This patriotic display was up during Election Day. Since our school is a voting site, voters could admire the photos. This was a great, low cost project which really helped our middle school students understand the meaning of Veteran's Day.
