January 15, 2020

To the Texas Association of Student Councils,

Red Oak High School would like to formally declare our candidacy for the office of State Secretary of the Texas Association of Student Councils. Red Oak has a qualified and vibrant council full of dedicated and passionate students who are excited to be representing the students of Texas. Previously Red Oak Student Council held the District 3 Board Corresponding Secretary position, which demonstrates our increased commitment to impacting leadership skills on a wider platform. This TASC position is our next step to promoting leadership skills here in Red Oak and the state of Texas.

Our council has chosen to run on the platform "If You Give a Child a Book." Our platform is to promote the importance of childhood literacy and its positive effects that span the entirety of their educational career. We plan to focus on promoting the early and long lasting benefits of literacy programs as well as the collection of age appropriate books for underprivileged households state-wide. Children from lower-income homes across Texas often have limited access to age-appropriate books. These children are far less likely to be exposed to language and literary opportunities, creating an early disadvantage in reading achievement - one that will likely follow them through high school and the rest of their lives. With our platform, we hope to be an advocate for all children and further the formation of a leveled academic starting place for children of all socioeconomic statuses.

Through our submission of this letter of intent, Red Oak High School is confirming our commitment and dedication in leading TASC to a bright future. We firmly believe ourselves to be qualified and prepared to serve TASC as State Secretary.

Sincerely,

Addison Sumbler, Student Representative

Angela Thomas, Advisor

Julie Wuerch, Associate Principal
