To the TASC Board of Directors:

It is with great pride that I write this letter in support of Boswell High School's candidacy for TASC Vice President. Our student council is committed to building leadership that strengthens schools, increases student involvement, and helps campuses across Texas feel more connected. Our campaign theme, Band Together, reflects our belief that student councils can make the greatest impact when they unite others through celebration, encouragement, and meaningful opportunities to serve.

Boswell Student Council has a strong history of excellence and involvement in TASC, consistently demonstrating leadership through school spirit, service, and high-quality programming. Our students understand that the purpose of student council is not only to plan events, but to build a campus culture where every student feels seen, supported, and invited to be part of something bigger.

If elected, Rebecca Owens will serve as Boswell's Student Representative to the TASC State Board. Rebecca is an outstanding student leader who brings dedication, positivity, and strong character to everything she does. She is passionate about helping schools across the state strengthen student voice and increase involvement, and she will represent TASC with professionalism, energy, and purpose.

Boswell's advisor representative would be Katie Keyes, who brings exceptional experience and proven leadership to this role. Ms. Keyes has 28 years of experience as a student council advisor and has previously served a total of 10 years on the TASC State Board. She understands the commitment, expectations, and responsibility required to serve Texas student leaders at the highest level, and she is deeply respected across the state for her dedication to leadership development and excellence in student council programming.

Boswell High School is honored to seek the office of TASC State Vice President, and I fully support our students and advisor as they pursue the opportunity to serve TASC. Our council is ready to represent this organization with integrity, responsibility, and a commitment to helping student councils across Texas truly band together to make a difference.

Sincerely,

Platform: What is your issue, and <u>what are you proposing that TASC as an association or TASC member schools do to address this?</u> (Please see TASC guidelines if there is a cost to this platform.)	Boswell High School Student Council proposes BAND TOGETHER , a statewide program designed to help student councils intentionally connect with every student on their campus. Too often, involvement is limited to a small group of visible leaders, leaving many students feeling unheard or disconnected. BAND TOGETHER provides student councils with a simple, adaptable framework to identify overlooked voices, celebrate students in meaningful ways, and create inclusive opportunities for participation. By encouraging councils across the state to work collaboratively, amplify the unheard, and develop leadership at every level, BAND TOGETHER strengthens school culture and empowers more students to take an active role in making their campuses better—together.
