Dear Texas Association of Student Councils and fellow advisors:

I am Leslie Pacher from Sealy High School in District 14, and I am writing to express my intent to run for the High School Elected Advisor to the Texas Association of Student Councils Board of Directors for the 2020-2023 term.

My council and I have been active participants in our TASC district since the beginning. When I came in as an advisor ten years ago, Sealy was serving as the District 14 Treasurer school. Since then, we have continued to hold leadership roles such as President, Vice President, and District Coordinator. I was involved in Student Council when I was in high school; however, my school was not involved in TASC, so I jumped in as an advisor kind of blind. Slowly but surely, my council and I began being more involved in the state-level activities that TASC has to offer. A couple of years into being an advisor, I took my first group to the High School Annual Conference and attended my first State Steering Retreat in June. I was blown away by everything. The state-level events gave my small-town kids and me the opportunity to network and learn from other students, advisors, and amazing speakers. Now, my council and I attend not only the High School Annual Conference but also Summer and Advanced Leadership Workshop. I have had the opportunity to learn so much from the other advisors in my district, as well as advisors from around the state, and I wish to continue to learn more about TASC from within the Board.

I would be a great asset to the TASC Board of Directors because I am a go-getter, have a strong work ethic, and a desire to continue to improve myself, my council, my district, and the state organization. Over the past ten years, I have had to step outside my comfort zone as my school has served in different capacities in District 14 and increased our activity level in TASC state-level events. Being out of my comfort zone has allowed me to grow, evolve, and change for the better. I feel that I am now ready to play a more active role in the organization that has done so much for me and my council.

I want to thank you for considering me for this position of High School Elected Advisor. I look forward to continuing to participate and serve TASC.

Sincerely,
