Platform: What is your issue, and <u>what are you proposing that TASC as an association or TASC member schools do to address this?</u> (Please see TASC guidelines if there is a cost to this platform.)	The issue we're proposing is how sexual harassment and assault affects men. Our society has degraded the sexual assault of men, and our school wants to promote awareness for the importance of their mental health. To address this, the Council wants to emphasize that anyone can be a victim. To accomplish our goal, we can partner with 1in6.org to give presentations on male sexual trauma. In addition to training programs, 1in6.org can be used by survivors to gain anonymous group or individual support. The main thing we want to achieve is removing the gender bias of sexual assault victims. We want our school to be a support system for all sexual assault victims, not just females.

Qualifications of school, advisor, and student representative: Please attach the school resume (see form) to this intent to run. (Do not include personal contact information such as cell phone, home address, etc.)

*Please note that the school runs for the office. One student representative and one advisor are named by the school per office to sit on the Board. The named advisor of record must run the campaign and remain active throughout the term of office. At the written request of the school, those representatives may be changed at any time. The TASC Board of Directors may remove a student or an advisor for a violation of TASC policy. A school may be removed from office by the TASC Board of Directors for failure to fulfill duties of office.

To The TASC Director and Vice-president School Kempner High School:

Hello! The Northwest High School Student Council from District 3 seeks the position of TASC Parliamentary school for the 2021-2022 school year. Our council has annually received the outstanding student council award along with recognitions for our community service, pride and patriotism, and energy and environment projects.

Our platform is based on supporting men who're victims of sexual harassment. Focusing on making our school a support system for all sexual harassment victims and urging students to become aware of the impact sexual harassment has on the mental health of men is the core of our platform. Because of that, it allows us to spread awareness around our community, towns, and our planet. The platform's goal is to help our male victims by initiating widespread change through our communities' education. Northwest hopes we can help TASC with supporting male sexual harassment victims!

With the approval and the help of our advisors and principal, we hope to provide a new perspective to TASC and would be honored to serve TASC and all of the great student councils across the state of Texas!
