Showing you the super awesome "Movie Monday" concept for leadership class or for a new way to present at meetings. Start your week off right with a *Move Monday!*

The Set-Up:

Have a theme for the week then introduce it with a video (or 2...maybe even 3!)

Example: **SELFLESSNESS**

Watched two videos:

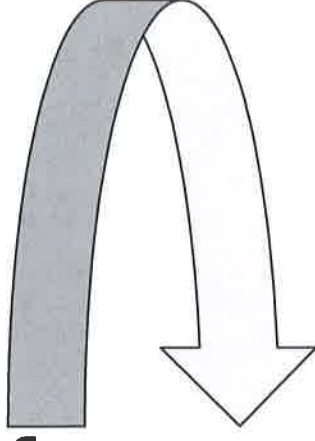

- 1.Patrick Henry Hughes
- 2.Mattress Mack

Students answered questions about each video then we discussed.

We did a project that goes along with Selflessness. That week we made a box full of happies for a soldier and mailed it to him. Also, put a locker tag on EVERY student's locker.
