Dear Texas Student Council Members and Advisors,

Welcome to the Texas Association of Student Councils' 90th Annual Conference. It is a privilege to celebrate this milestone with you. Ninety years is nearly a century, and while the world has changed dramatically over that time, one thing has remained constant: the need for strong leaders and the lasting value of leadership skills.

Each of you represents the very best of student leadership. You step forward when others step back. You promote respect and responsibility, encourage academic excellence and involvement, and represent the voice of students on your campuses. Most importantly, you build relationships that strengthen school pride, community, and character. That is leadership in action.

Throughout this conference, you will celebrate accomplishments, elect new state officers, and learn from one another. Take full advantage of this opportunity to connect, share ideas, and grow as leaders while inspiring those around you.

On behalf of superintendents across Texas and our Rockwall ISD community, please know how proud we are of you and how much we believe in your future.

Have a wonderful conference. Win in all you do, and remember that what you do for others is what truly counts.

Sincerely

Dr. John Villarreal

ABOUT TASC

The Texas Association of Student Councils is a non-profit organization serving elementary, middle school, and high school student councils in Texas. TASC builds leaders who positively impact our schools, our communities, our state, and our nation through leadership development in secondary schools in Texas. We believe in a powerful student voice, the journey of leadership, and in building a strong web of support for students and advisors. We know that leadership skills can be learned and enhanced, and we work daily to do just that. Organized in 1937, TASC serves about 1,200 member schools by providing opportunities for advisors and student leaders to interact and learn through outstanding programs such as this Annual Conference.

TASC ROCKS AGAINST HUNGER!

TASC Rocks Against Hunger! empowered us as leaders to combat food insecurity, supporting personal growth, educating others on the impacts of hunger, and advocating for our communities. Through this initiative, we became a guiding light, fostering positive change for the many families in Texas facing food scarcity. We made an impact by organizing food drives, partnering with local food banks, and hosting educational events on topics like resource awareness and nutritional stability. This project provided us with a meaningful opportunity to promote community well-being, ultimately strengthening the security and health of those in our community.

DRESS CODE

The TASC Board of Directors requests that all attendees follow the TASC Conference dress code. **No shorts of any type are to be worn to any conference activity with the exception of mid-thigh or longer shorts the night at Six Flags.** Hats or caps are not allowed in the building, and all shirts and dresses must have sleeves. Security and advisors will help monitor dress code.

STUDENT BEHAVIOR

With the convention attendance totaling almost 4,000 delegates, advisors must sit with their students during the general sessions to monitor and control excessive noise. Even a few whispers in the auditorium create a lot of noise. Always treat speakers on stage with courtesy and respect. Advisors: Please ensure that your students remain seated during performances. Walking from the general assembly area to the halls is distracting.

FOOD AND BEVERAGE

No outside food or drinks may be taken into the Henry B. González Convention Center. There are two concession stands that will be available during the convention. The Market Café in the lobby and a built in concession stand in Exhibit Hall 2.

Market Cafe Concession Times in the Foyer:

STATE OFFICER ELECTIONS

One of the purposes of the TASC Annual Conference is to elect new state officers for the upcoming school year. Schools elected to serve as TASC state officers are represented on the TASC Board of Directors by one student representative and the school advisor. The Board of Directors is the policy-making body for the association. Throughout the conference, member schools will have multiple opportunities to learn about the candidate schools' qualifications and platform (an idea they are promoting for TASC). Candidates will communicate their campaign theme, platform, and qualifications through a campaign booth, storyboard, student speech, meet the candidate session, and a campaign skit.

Candidate school information is posted on the TASC website. When voting, schools should consider how well the candidates communicate their platform and theme, the strength of the platform, and the qualifications of the advisor and student representative.

 Recognition of TASC/TASSP Council Scholarship Winners Leah Skinner, TASC President

KEYNOTE SPEAKER: LORI HAYES

ANSWER THE CALL Leadership can sometimes be an undiscovered ability that can be discovered by being in an atmosphere that pulls out ones inner leader.

Energy. Energy. Energy. Lori Hayes has the ability to energize audiences with her real, relevant and relational programming. Her comedic delivery engages audiences while simultaneously challenging them to transform.

Lori has been on the front lines in the education sector for over 25 years. Her education experience includes serving as the Student Activities Coordinator for the West Virginia University Center for Black Culture and Research and most recently as the Student

Activities Coordinator for the historical Howard High School. During her time at Howard High School, she had the honor of teaching English and served as the advisor of many, many clubs.

Having a front row seat as the wife of a high school administrator provides a rare vantage point of the inner workings of a school setting. Rounding out her educational perspective is the role of being a parent of three sons.

STUDENT BREAKOUT SESSION ROTATIONS (DAY 2 AFTERNOON)

Conference Breakout Sessions will take place on Day 2 afternoon from 1:30p - 4:00p. Delegates will be divided into three separate groups, and each group will follow a separate rotation through each of the three breakout session stations (below). Rotation schedule will be determined by the color of the delegate wristband. Entire school delegations will be in the same rotation (same color wristbands). All conference delegates will have the opportunity to rotate through each station over the course of the afternoon.

The three breakout stations are:

GENERAL SESSION: When assigned to this rotation, all delegates in the group will report to Exhibit Hall 1 on the 1st floor in the Convention Center (where General Sessions are held). This session will be repeated in all three-time blocks. See page 18 for description.

SPECIAL SESSIONS: When assigned to this rotation, all delegates in the group will report to the 3rd Floor of the Convention Center (or the Senior Session on the 3rd Floor Stars at Night B4). Large group (140-170 delegates) sessions will be offered during this rotation. Each student delegate will choose ONE of the offered presentations to attend during this 40-minute session. All presentations will be repeated in all three-time blocks. For a list of topics and room assignments, see page 19 in this program. Session descriptions are on the app. Advisors, use the handout provided to assign delegates to sessions and ensure they know where the sessions are located.

TABLE TALK PRESENTATIONS: When assigned to this rotation, all delegates in the group will report to the 3rd Floor of the Convention Center. When delegates participate in this session, they will choose from approximately 100 table talk presentations. Student delegates will choose THREE of the offered presentations to attend during the 40 minute session. All presentations will be repeated in all three-time blocks. Presentations conducted in the Table Talk Station are school-created and student-led. Presenting students will remain at the same table while student delegates move around to various tables during the time block. This movement will be a structured process guided by a facilitator. Use the handout in the advisor packet to assign students to different tables. See page 20 and the conference app for Table Talk descriptions.
