To the TASC Board of Directors and Director Patty Wangler:

Bridge City High School formally announces its candidacy for TASC Secretary for the 2026-2027 school year. We have gained so much from this organization in our decades long association and wish to represent it with heart and enthusiasm if elected.

Bridge City High School has chosen to run with the platform of **"Find Your Pitch: Perfect Harmony!"** This platform is fully rooted in the belief that every single student deserves to feel heard, valued, and included. We believe schools thrive when intentional spaces are created for student expression, where all voices are celebrated, and students are empowered to lead in ways that reflect their individual strengths and passions.

At Bridge City High School, we believe that leadership is not just a given quality, but a skill that is taught, nurtured, and reachable for all students. Every student has a role to play, and leadership can be distributed throughout a campus when students are encouraged to find their "pitch" and understand the impact they can truly make on campus culture, climate and success. Our goal is to help schools develop a plan where students are not only invited to participate but to feel confident contributing to their school.

Our platform showcases how we help students discover their strengths and find their pitch within our school. We are a small school but have over 57 different clubs and organizations where students can shine. From placing at a UIL Academic Meet to competing in a State Championship contest, we believe every student's success should be celebrated and recognized. We intentionally uplift groups who may sometimes feel like they're in the backseat of the performance, reminding them that they are essential to the harmony we create. At BCHS, every voice matters, every role counts, and together, we create something truly powerful. Now it's your turn to help others find their voice in your school.

Bridge City High School and its representatives are fully committed to fulfilling all duties and upholding every aspect of the platform throughout our term and beyond. We all look forward to the opportunity to attend TASC and support fellow student councils across Texas to help form campuses where every student can find their voice and feel empowered to lead. We look forward to this opportunity and do not take it lightly.

Thank you for your consideration,

Platform: What is your issue, and <u>what are you proposing that TASC as an association or TASC member schools do to address this?</u> (Please see TASC guidelines if there is a cost to this platform.)	Too many students walk through our schools feeling unheard and choose to be uninvolved — and research shows this matters. <b>Students who are actively engaged in school, including extracurriculars and meaningful participation, are up to 2.5 times more likely to say they do well academically, and involvement is linked with higher retention, persistence, and graduation outcomes.</b> Our solution is to intentionally encourage a culture where every voice is valued, included, and celebrated so that belonging isn't just a hope but a lived reality. When students know they are heard and contribute, we don't just increase involvement — we fuel confidence, connection, and school-wide success.
