Dear Texas Association of Student Councils,

On behalf of Coronado High School Student Council, we submit our letter of intent to run for the position of 2026-2027 TASC State Parliamentarian. Coronado High School has a longstanding history of leadership, service, and meaningful involvement at both the district and state levels, and we are eager to continue that legacy through this role.

Our council has consistently demonstrated strong involvement within TASC through active participation, service, and collaboration at both District 9 and state level. Through this continued engagement, our council has developed a solid understanding of parliamentary procedures, effective meeting structure, and representing student voices with clarity and integrity, as well as the importance of working alongside other councils to create unified impact.

Our advisor, Mrs. Mendoza, is a dedicated leader with extensive experience serving both the Coronado campus and the broader TASC community, including her work representing TASC as a district and state board advisor for Coronado High School. Her guidance has been instrumental in shaping a council rooted in responsibility, consistency, and service. Our student representative, Abigail Anderson, is a reliable and organized leader with TASC experience, who brings strong communication skills, a working knowledge of parliamentary procedure, and the ability to represent student perspectives thoughtfully and effectively.

In addition to leadership, Coronado is committed to service through our platform, The Bare Necessities. This student-led initiative addresses a critical need by providing essential items such as school supplies, hygiene products, clothing, and food, which are resources that directly affect student health, confidence, and academic success. What makes The Bare Necessities unique is its focus on repurposing items already available within homes, campuses, and existing school resources, allowing councils to create immediate impact without requiring extensive funding or infrastructure. Through simple, repeatable donation efforts and partnerships, the platform promotes sustainable, ongoing service rather than one-time drives, empowering student councils across Texas to respond consistently and meaningfully to the needs of their communities, so students can focus on their academics.

We are grateful for the opportunity to serve TASC and its members. Coronado High School is prepared to uphold the responsibilities of State Parliamentarian with professionalism, collaboration, and a commitment to excellence.

Respectfully,

Abigail Anderson

Platform: What is your issue, and <u>what are you proposing that TASC as an association or TASC member schools do to address this?</u> (Please see TASC guidelines if there is a cost to this platform.)	Across Texas, many students lack access to necessities like hygiene products, clothing, school supplies, and food, directly affecting their confidence and wellbeing. The Bare Necessities is a student-led platform that repurposes existing resources from homes, school pantries, and campuses into immediate community support. Through simple donation drives and partnerships, it creates sustainable, ongoing impact rather than one-time service. We urge TASC and its member schools to expand The Bare Necessities statewide, empowering student councils to provide continuous support to communities across Texas.
