Dear TASC Board of Directors and Ms. Wangler,

This letter is to officially declare that Dickinson High School intends to run for the state office of Parliamentarian.

For the past eight years, Dickinson High School has been a committed member of the TASC organization. We have learned and grown as a council by attending our district and state conventions, conferences, and workshops, and have gotten the opportunity to take a leadership role within our 713 district. We feel that our combination of experience, skills, and dedication will not only allow us to successfully hold office and commit to strengthening the powerhouse that is TASC, but to continue to grow and learn in our role as leaders within the TASC realm.

We feel especially honored to be able to present our platform "Start the Quest Within." At DHS, we are continually working to help all students find their voice and improve mental health and awareness. Together, we have come up with some really great ways that schools can make an impact in student mental wellness and feel valued on their campuses as well. With a theme highlighting life as an adventure, we hope to encourage all state conference attendees to feel like they can go home with project ideas to apply at their own schools.

If we are elected, we will fulfill the role with diligence and appreciation.

Thank you,
