Texas Association of Student Councils,

The Gregory-Portland High School Student Council is pleased to submit our intent to run for the position of TASC Secretary. We believe our council has the experience, dedication, and leadership capacity necessary to serve effectively in this role and support the continued success of TASC. Our campus has previously served as TASC Secretary in 1975 and in 2015. We intend to use our current strength and momentum to make representing our state a more common tradition.

Our campaign platform, "Leaders of tomorrow, today," reflects our commitment to developing leadership skills early and empowering students to lead with confidence, integrity, and respect for structure. Through this platform, we aim to support councils across Texas in building strong foundations for student leadership.

A key focus of our platform is strengthening middle school and elementary student councils. Early exposure to leadership opportunities and a community to lean on allows students to develop essential skills before entering high school, creating continuity and growth within leadership programs statewide.

Gregory-Portland High School Student Council has demonstrated consistent excellence by earning Sweepstakes recognition for the past three years and serving as presenters at the District X Spring Convention in 2024 at Harold T. Branch Academy. Our executive officers attended the Summer Leadership Workshop in 2025. We have also attended the HS Convention yearly. These experiences have strengthened our understanding of organization, collaboration, and effective council operations.

With the support of our advisor, Stephanie Carrell, student representative Lucian Peña is eager to serve TASC at the state level. He is committed to representing student councils across Texas with integrity, responsibility, and a strong sense of service.

We look forward to the opportunity to serve TASC and contribute to the growth of student leadership across Texas.
