Subject: Intent to Run for TASC State Secretary Position

To whom it may concern,

My name is Reagan Deanda, and I want to run for TASC State Secretary on behalf of McKinney High School. I went to the state conference last year, and I was truly inspired by seeing the skits, campaigning, and the dedication levels to their schools. So much so, that my home council decided it would be a valuable opportunity for us to experience firsthand. I believe that the experience of running will bring us together and allow us to see each other's strengths, uniting and further strengthening our Student Council.

Just last year, we hosted the annual D3 Spring Conference. This not only brought our council together, but it helped us learn that we were capable of planning and executing large events. This is just one of the many reasons I believe we will be successful if we are granted the opportunity to hold a state office position.

While serving as McKinney High School's treasurer this past school year, my desire to become a bigger part of Student Council has grown. Not only has Student Council become a large part of my life, but it has also allowed me to grow tremendously. This year has taught me all about responsibility and the importance of time management, which I presume would be a large part of holding this position. I have grown so much as a leader within Student Council, and I hope to continue to do so through running for secretary at the state level.

Our council is well prepared for this role because of our continued involvement in district and state events. Over the past several years we have attended the Lakeview Advanced Leadership workshop. 3 of those years, we had members of our Student Council serve as Junior Counselors. Moreover, we have attended Summer Leadership Workshops the past 3 years with advisors serving as SGFs. We also attend the Annual State Conference each year.

In addition to state events, we are very active in District 3. Last year we served as Spring Conference Host for District 3 and were members of the board. We attend all district conferences and district overnights. We also have had students serve as Junior counselors at those events. We believe that for these reasons we are well equipped to serve as a state officer next year.

Sincerely,
