Dear TASC Student sand Advisors,

Oak Ridge High School Student Council is excited to announce our intent to run for the position of TASC Secretary for the 2026-2027 school year. Our mission is to provide Student Councils across Texas with organized documentation and advertisement as well as proffesional judgining for videos as the State Conference.

Guided by our advisor, Ms. Angela Gueli, Oak Ridge Student Council has consistently led projects that benefit both our campus and our community. As the Oak Ridge Student Representative, I, Adanna Nnadi have actively participated in district conferences and Advanced Leadership Workshops, the TASC Annual High School State Conference, and currently serve as our Vice President. Through these I've gained and practiced my skills as a Leader including, effective communication, and allowing everyone to practice the abilities they do best.

Our platform, "A Seat at the Table," focuses on addressing food insecurity through student-led efforts to assemble and distribute complete Thanksgiving meals to families in need. This initiative is designed to not only bring families food, but also the opportunity to make meals together and positively impact community. In addition, this project has been designed to be easily shared across communities of varying sizes. As Secretary, I plan to help councils document their projects, organize their plans, and share best practices, making it easier for every school to participate successfully.

To illustrate our platform, we will also present a six-minute skit that highlights a family experiencing food insecurity and demonstrates the solution provided by student-led Thanksgiving meal boxes. The skit will show the problem, the action, and the resulting positive impact, giving fellow councils a clear example of how this initiative can be implemented in their own communities.

Oak Ridge High School Student Council is committed to helping TASC councils lead with purpose as well as provide the organization for smooth execution. We look forward to bringing our dedication to the role of Secretary, supporting student leaders across Texas, and ensuring that every initiative is organized, documented, and celebrated.

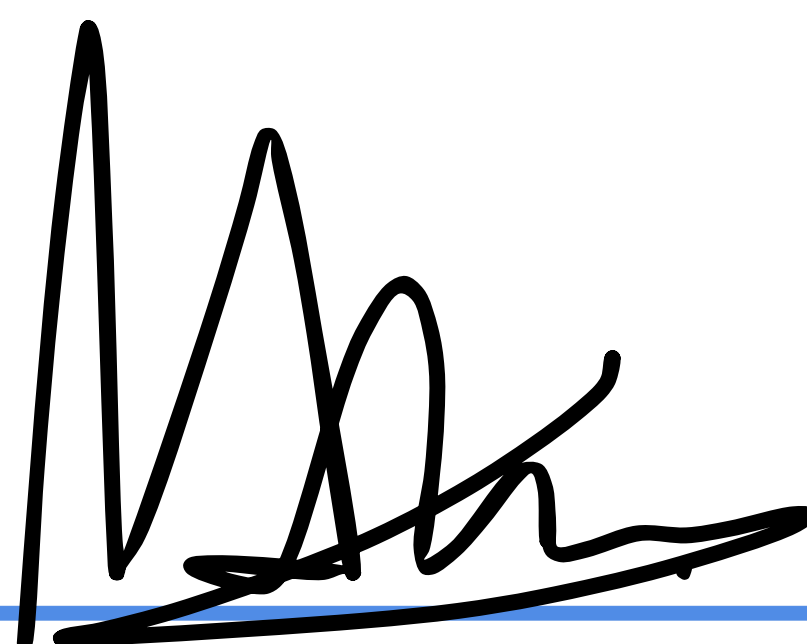

Sincerely,

Oak Ridge High School Student Council

OUR PLATFORM

Let's Set the Table is a platform rooted in the belief that no student, school, or community should be left without what they need to thrive. Inspired by addressing food insecurity, this platform centers on filling boxes with a full meal — not just offering partial solutions, but providing complete, intentional support.

Within Student Council and TASC, Let's Set the Table represents equipping schools with all the tools necessary to participate fully: clear communication, accessible service opportunities, recognition, and a seat at the table regardless of school size or resources. By creating initiatives that are scalable and community-focused, this platform ensures that even underrepresented or smaller schools can contribute meaningfully and be seen.

Through collaboration, organization, and compassion, Let's Set the Table aims to strengthen connections between councils and communities while addressing real needs, including food insecurity and equitable access to service. Together, we can set the table — and make sure every box is full.
