

# Resolve to Rise

What to expect when you get to State

Hello TASC members,

Killeen High School has *resolved to rise* to bring you the best state conference possible. This year we are going to be spending more time in the Sheraton and have more entertainment outdoors, if the weather permits. \*I paid extra for the good weather\* This year every game the students and advisors play will be ones that challenge the mind. We have partnered up with "We Help Two" for a state service project. Mr. Trevor Bergman and his nonprofit will be selling socks all three days of the conference. The socks are sold for \$12 a three pack and for every pack sold, another pair of warm socks will be donated to one of two local charities, with a personalized note from each of the donors.

Let's resolve to rise and fill the boxes for charitable organizations. **If you wish to eat at the Ball Park during the tail gate please purchase meal vouchers during the registration process.**

## Day 1:

Registration will be in the Sheraton this year. This year we are asking the advisors that the adults take care of the entire registration process. The students will have this visit the 2<sup>nd</sup> floor where the candidates for state office will be campaigning and vendors will be set up. During this time there also will be "Minute to Win It" type games set up where space is available on the second floor. Activities will also be outside the Sheraton by the pool and grassy areas in front of the Sheraton. The convention center will also be decorated. Please make sure you take time to check out what Killeen High School has created. As you walk to the convention center there will be various mind game puzzles that push you to resolve to rise. If you complete all the puzzles you will be able to enter your school into a raffle to win prizes. Remember the first General Session starts at 7 p.m. and will end @10:30 p.m. please don't leave early you will surely miss out on something amazing.

## Day 2:

We will be in the convention center and Sheraton all day. After the general session Killeen High School invites you to the Dr. Pepper Baseball field for lunch and a tailgate party. It is located by the lake on the right as you leave the convention center facing Ranger Stadium. We will have kickball going on and various giant games to play that will challenge you mind, body, as well as other schools. On the back of this page is the menu for the concession stand at the ballpark. Vouchers are available to purchase by each school, during the registration process, or you can walk up to the stand and order directly. Starting at 1:30 the students will be in their breakout sessions. Dinner and entertainment for the night will be at Six Flags starting at 5 p.m.

## Day 3:

Don't miss out on the closing session we will be ending with a **bang** this year.
