Advisor change for next year?

New Advisor? Or need to add a NEW advisor? Please do NOT overwrite the existing advisor's information. (It is best if the new advisor adds this information.) The new advisor can create a profile at this link: [Advisor Change/Addition Form](#). (Co-advisors may be added there as well.) Important: Please do not overwrite a name, email, or school name with another person's information in a profile or in a registration or payment. That results in the advisor profile not being linked to the school profile.
