#### State Service Project: **KICK CANCER**

View [full letter](#) from the TASC Board of Directors

TASC challenges you to **Kick Cancer** by joining us in fighting the causes and the effects of cancer. It is important to recognize that our actions and choices can either benefit or harm ourselves and our world every single day. Too often, teens and adults get caught up in what is popular without considering the effects and consequences of those actions. Let's take the lead in our country's new initiative to cut cancer deaths in half in the next 25 years by educating, honoring, and uniting everyone about fighting cancer. As one of the leading causes of death worldwide, everyone knows someone who has been affected by cancer. We have the power to educate, advocate, and participate in a project that will turn one pink-out day into a year of cancer awareness.

### Advisor change for 22-23?

New Advisor? Or need to ADD a NEW advisor? Please do NOT overwrite the existing advisor's information. (It is best if the new advisor adds this information.) The new advisor can create a profile at this link: [Advisor Change/Addition Form](#). (Co-advisors may be added there as well.)

**Important: Please do NOT overwrite a name, email, or school name** with another person's information in a profile or in a registration or payment. That results in the advisor profile not being linked to the school profile.
