# TASC State Report Forms

TASC recognizes outstanding student councils every year based on published criteria and a point system. Senior high school and middle-level plaques will be mailed in May. Each district president is responsible for ensuring that district schools are judged, and the results are reported to the TASC office.

Sweepstakes: TASC also recognizes schools that earn recognition in the areas of Pride and Patriotism (P&P); Energy and Environment (E&E); and Drugs, Alcohol, Safety and Health (DASH). A Community Service Report Form allows councils to document their efforts in community service. Councils that earn recognition in Outstanding Student Council, Pride and Patriotism, Energy and Environment, DASH, and who also submit a Community Service Report will earn a Sweepstakes Award.

• **Want to help someone in need? Check out the VING project!** It's a super cool opportunity for those between 14-18 years old to nominate someone in their life who needs a little help. All you have to do is create a quick video and submit it at [vingproject.org/nominate-now/](http://vingproject.org/nominate-now/). If your video is selected, you'll get the chance to give your nominee \$1000 - how awesome is that? Just make sure they're 18+, living in the US, not family, and struggling with finances. Don't miss out on this opportunity to spread some kindness and make a real difference in someone's life!

Submit your VING today:

1. Go to [vingproject.org/nominate-now/](http://vingproject.org/nominate-now/)
2. For "Where did you hear about VING?" select "Other" then type: TASC!

- **Advisor change for 23-24?** New Advisor? Or need to ADD a NEW advisor? Please do NOT overwrite the existing advisor's information. (It is best if the new advisor adds this information.) The new advisor can create a profile at this link: [Advisor Change/Addition Form](#). (Co-advisors may be added there as well.) **Important:** **Please do NOT overwrite a name, email, or school name** with another person's information in a profile or in a registration or payment. That results in the advisor profile not being linked to the school profile.
