Title:	Beauty Week
Objective:	To encourage the student body to accept their beauty and individuality by spreading love and pride through our student body through acts of kindness and activities.
Indicate Target Group:	Kempner Student Body and Faculty
Resources Used:	Clothes pins, student council members, beauty week T-Shirts, Sticky Notes, student body.
Description:	Beauty Week is a week long activity to spread love and pride within your school. The first day is "Bum Day" where every student is encouraged to wear sweat pants and t-shirts to school to explain how you can be beautiful by wearing anything. The next day students cover the bathroom mirrors with inspiring messages like "You are beautiful" or "You're lookin' good today, cutie!" to explain to others that always looking in the mirror to try to make yourself look pretty is unnecessary. Everyone is beautiful in their own way. The next two days is considered "Pinning" days in which you write encouraging messages on clothes pins, like the bathroom messages, and try to clip as many people as you can during the day. When people get clipped with the clothes pins, many people randomly find the pins and smile. Those students, in return, use the same clip to put on other people to spread the love around the student body. The last day, or Friday, is "No Make-Up Friday" in which girls are encouraged to not wear make-up the whole day. The boys participate on this day by wearing "You don't need make-up to be beautiful. You are Unique" shirts that are sold in previous weeks.

Title:	Toys for Tots
Objective:	To collect money to donate toys for the "Toys for Tots" program
Indicate Target Group:	Children in hospitals over the holidays
Resources Used:	Posters, announcements, buckets and money counters
Description:	Spare change was collected during third period for one week. Parliament members went to every classroom at the beginning of the class period to ask every student in the school for any amount of spare change. The money was to be used to provide presents for children who would be in the hospital over the Christmas holidays. We collected almost \$800 to put towards toys to be divided up between two hospitals, North Central Baptist and Santa Rosa Children's Hospital. This project was done in conjunction with Winner's Circle and DECA. This project gave every one of our members a wonderful sense of caring and giving. Hopefully we are always so giving.
