### From the Director -

Congratulations on your decision to attend a TASC Summer Leadership Workshop! It really is one of the best programs that TASC has to offer to help you build your council! Expect to grow as you will be challenged and pushed out of your comfort zone each day. The leadership curriculum will require you to think, read, create, and participate fully. Active participation in workshop activities will better prepare you to return to your school with an enthusiastic attitude and allow you to make a positive difference in your council, school, and community. The workshop staff will expect you to follow directions, be on time, ask questions, and be involved. In order to help prepare you for this busy week of activities, the following pages provide information that will help make your week more enjoyable, memorable, and worthwhile. If you have a question that is not answered in this brochure, feel free to contact me. I am excited to be teamed with Leadership Consultant Laurie Zuehlke. Below is information that will help us serve you more effectively. Please complete the permission forms and return the scanned versions of them to me at my email address.

## **DRESS CODE**

The Texas Association of Student Councils (TASC) requires students and adults participating in a TASC event to dress appropriately for that activity. Unless otherwise stated, event dress is casual and projects a positive image at all times. Our dress code is set at a higher standard than school dress codes because we represent our association. Those attending TASC events must adhere to the following regulations:

### **TASC DRESS CODE:**
